A Chilly Halloween..

The king of Heat

When the nights get nippy and a chill starts to permeate the air, we know it's time to get the locally-produced **King Baseboard Heaters** out on special! Now's the time to check out that all your baseboard heaters are working!

Our King Baseboard Heaters are available in sizes ranging from 2 ft. 3" all the way to 10 feet. They have an attractive enamel white finish that will blend easily with most any decor. They also have knockouts on either side to allow for installation flexibility. They may be controlled by a baseboard-mounted thermostat or by a wall-mounted room thermostat (both sold separately).
